

New myQ Garage Master Docuseries Inspires Homeowners to Get Creative With Their Garage Space In 2022

Viewers have a chance to win a new myQ Smart Garage Door Opener

OAK BROOK, Ill., Jan. 12, 2022 [PRNewswire](#)/ -- myQ® is looking to change the way people see their garage with the [Garage Master docuseries](#) that reveals unique ways everyday people are transforming their garage into a space where they can pursue their passions. Through an ethereal, fly-on-the-wall style of filming, the six-episode series transports viewers into a new reality that opens the door, literally and figuratively, to fresh and exciting possibilities via the garage. The first three episodes are now available to watch at myq.com/garagemaster, with the second three episodes coming soon in February.

"For most people, the garage is an underutilized space. Yet, we've seen a growing movement among homeowners wanting to make their garage more functional. A shift that has really taken hold during the pandemic," said Steve Swanson, Director of Brand & Creative for Chamberlain Group, a global leader in access control solutions with its [myQ® smart technology](#) and [LiftMaster®](#) and [Chamberlain®](#) garage door opener brands. "Sure, you can store your car or your junk in the garage. But our Garage Masters have shown us that this is untapped bonus space just waiting to be transformed. We want to inspire homeowners to change how they see the garage and turn it into a place to explore a passion, gather with community, or bootstrap a business. We could all use a little inspiration these days. Why not start with the garage?"

Featuring six episodes, the docuseries highlights individuals or "Garage Masters" who have transformed their garage into a smart space where they can foster their passions and hobbies.

Episode 1: *Berm Peak, Seth Alvo* - See how one mountain biker's journey begins in the garage.

Episode 2: *Wood Whisperer, Marc Spagnuolo* - Check out how Marc went from biotech to furniture maker with the help of his garage.

Episode 3: *The GarBar, John Garbarino* – Watch how he converted his garage into an iconic neighborhood watering hole that started a secret New Jersey bar scene.

Episode 4 (Coming Feb 2): *Ashley Marie Soaps, Ashley Marie*– See how she transformed her garage into a space she could create handmade soap and skin care the old-fashioned way

Episode 5 (Coming Feb 9): *Invisible Creatures, Don and Ryan Clark*– Imagine a space where creativity lives, and it would be Don and Ryan's Garage.

Episode 6 (Coming Feb 16): *Garage Gym Reviews, Cooper Mitchell*– Get pumped when you see how Cooper turned his garage into the ultimate home gym.

To kick off the launch of the new docuseries, myQ is giving away a new myQ Smart Garage Door Opener to three lucky winners.
